

## Our Vision

Ethix Ventures Ltd. not only to supply clients with the products they need, but also to offer solutions to the problems they face as a business.

We reduce our customer's workload by assisting with the purchase selection and ensuring the delivery of the desired products.

We possess a comprehensive field-of-view from which we provide customers with ideal products and solutions.

We assist our customers from the planning stages of understanding what equipment should be implemented into each stage of production, up through the installation procedures and follow-up support.

**What is  
Ethixven**

We create commercial flows, import and export products, arranging financial and joint venture partner for international projects. We integrated all these functions with our Supported network partners in China, Turkey and UAE. Our numerous competencies allow us to respond to the needs of industries looking for a new market.

Ethix Ventures Ltd. diversified trade company and deals with import and export of Coal , Silica Sand , Steel and Steel Raw Materials , Industrial Raw Materials , Machineries & Equipment. We look forward to welcoming you to our company and work to develop and enhance your current business.
